

FREEDOM TO DESIGN

At Rosewood Residences Estate Lots, you are invited to shape your ideal home within a landscape of timeless beauty. Nestled slightly further inland, these exceptional lots provide a peaceful sanctuary, where privacy and connection to nature converge. Every detail is crafted to enhance your living experience, creating a sanctuary of elegance and serenity.

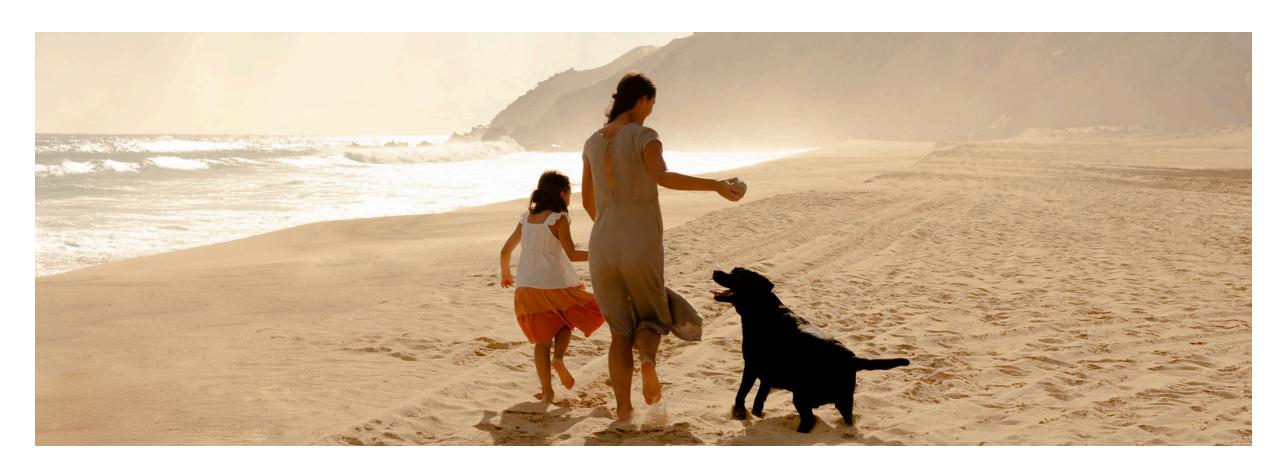

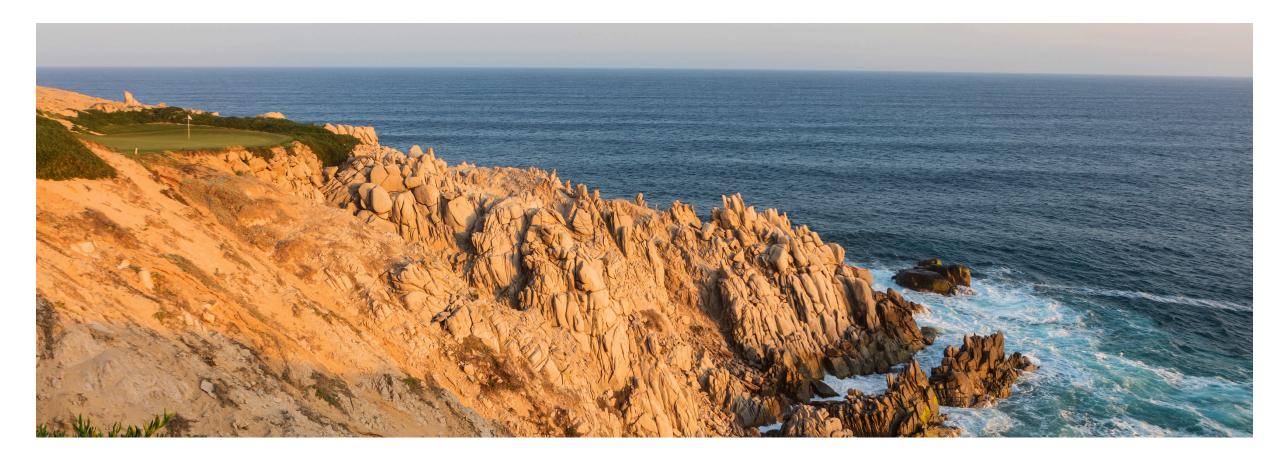

WHERE LAND MEETS THE HORIZON

Positioned amidst the tranquil beauty of the Baja landscape, the Estate Lots capture the essence of natural splendor, framed by sweeping vistas and golden light. Each homesite offers the opportunity to design a residence that balances luxury with harmony, blending seamlessly into the serene surroundings.

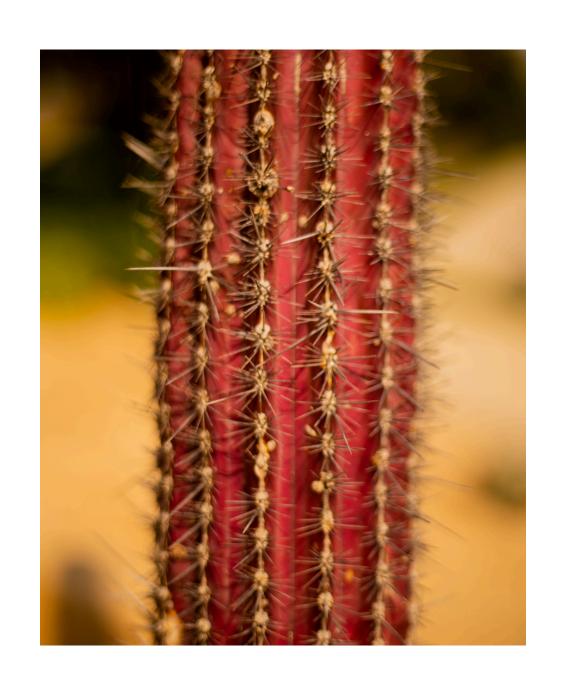

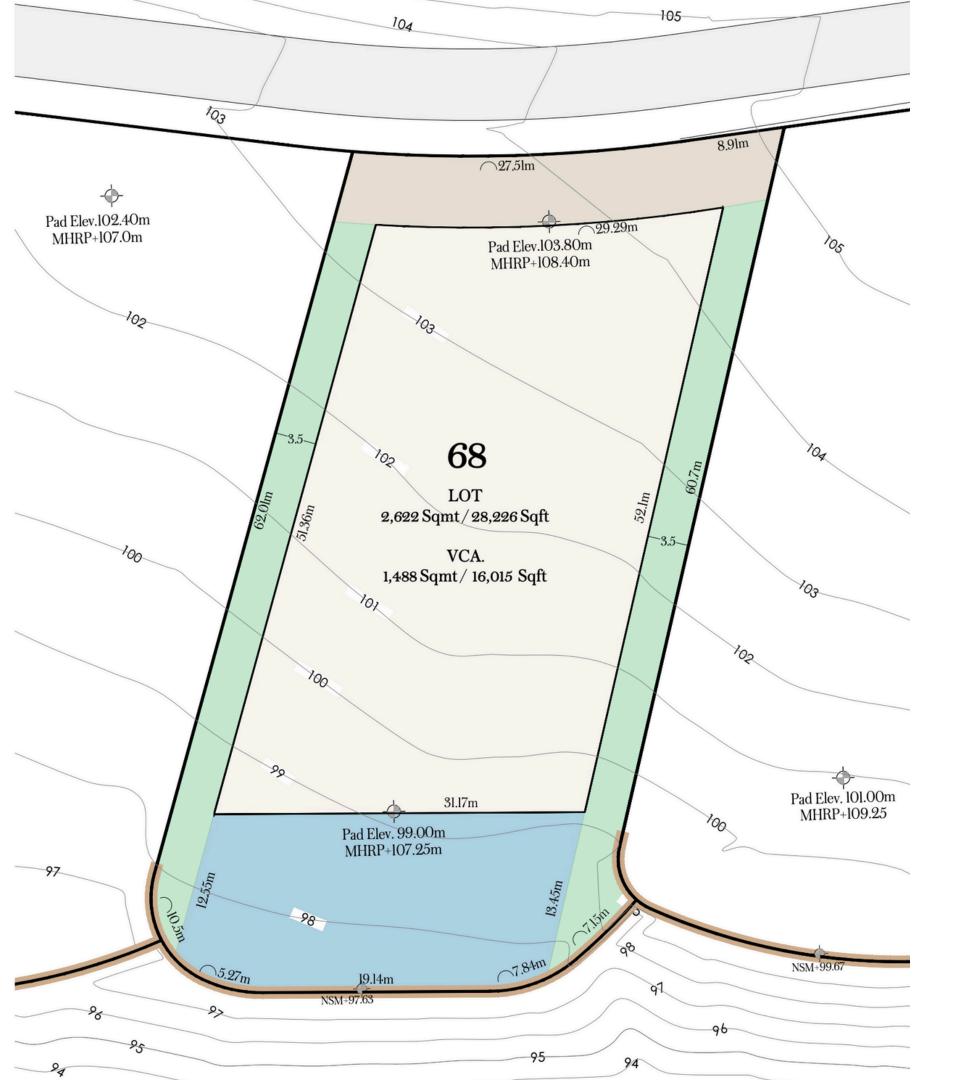

These special homesites enjoy the most expansive ocean views in Los Cabos, due to their more than 200 feet of elevation above sea level. Starting from 18,000 square feet, averaging 120 feet of ocean view frontage, they are also some of the most generous homesites in the market, allowing you to thoughtfully tailor the design of your home to meet all your needs. Each lot enjoys panoramic views of the ocean, easily overlooking your neighbor's residence.
